wet paint Gives Back

This holiday season wpg has partnered with The Above and Beyond Foundation to make it easier than ever to celebrate our mantra “Gifting with Giveback”!

The Above and Beyond Foundation seeks to recognize and reward outstanding individuals employed in the hospitality industry by providing grants to help them attain their personal and professional goals and better their lives.

In the wake of the COVID-19 crisis, the HELPING HOSPITALITY Urgent Aid Grant Program was created, awarding \$500 VISA cards to those that have gone above and beyond but have lost their jobs due to the pandemic.

This year, wpg is so very proud to donate a portion of each holiday box* order to the Helping Hospitality Urgent Aid Grant Program to honor our brothers and sisters in the hospitality industry who are hurting.

If you’re still looking for that perfect gift, please consider one of our unique holiday boxes which will gift help and hope as well.
